

## The Premier Yoga for Children Program

As seen on CNN, PBS, Child, TIME, Parent

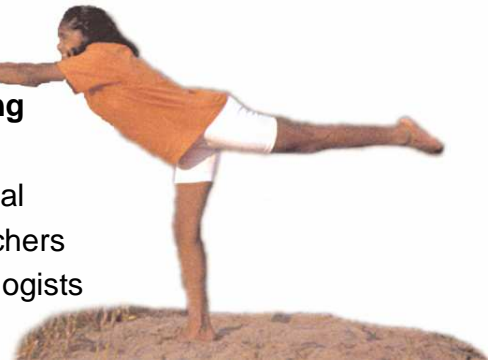

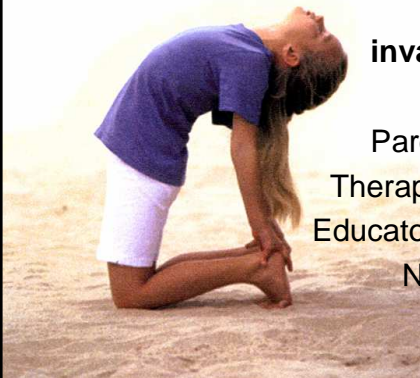

## A Taste of YogaKids

### One day to celebrate the child in you!

Learn a fresh new way to play with children that combines fitness, play and education too. Kids love it and so will you! YogaKids integrates language arts, games, music, storytelling and more to engage the "whole child" in the multiple intelligences theory of learning, employing ecology, anatomy, earthcare and life lessons that echo the yogic principles of oneness, interdependence and *FUN!*

**This 3 hour training provides  
invaluable skills for educating, exercising  
and empowering children.**
