

PAST-LIFE REGRESSION WORKSHOP

Friday April 9th 7:30pm

*If you grew up in a Hindu or Buddhist belief system you wouldn't even wonder about the possibility of reincarnation, it would just be accepted as so. Whether you are trying to break through a certain issue, are longing to connect with your highest, truest, self, or are just curious, join therapist **Patricia Johnson, LCSW** for an interesting evening to help you discover your past lives.*
